# Historical Facts of The Gymnasium

*Celebrating  
16 years of proudly serving  
the community of Bowie*

*The City of Bowie  
Gymnasium was constructed in  
February of 2001. It was  
designed primarily for  
basketball and volleyball play for the  
residents of Bowie. The design of the  
gymnasium  
allows for either three  
basketball courts or four  
volleyball courts to be in use  
simultaneously. The  
gymnasium also has two  
meeting rooms that are  
available for meetings, party rentals, and  
special activities. In addition, a conces-  
sion area and sitting area are available  
for patron's use.*
