### *Status Report*

1. Water Main Replacement – Heather Hills Section

The City of Bowie has contracted with Anchor Construction to replace a water main on Hillman Place and on Holiday Lane from Hillman Place to the eastern intersection of Hindle Lane. The work is scheduled to begin on August 19, 2019 and is anticipated to be completed in April 2020.

During this construction, temporary water mains will be installed in order to provide continued water service. This temporary main will run along the curb on Hillman Place and Holiday Lane. The temporary water line will remain in place through most of the project. Ramps will be provided where the temporary mains are installed so as not to obstruct driveway access.

All work will be performed Monday thru Friday, 7 am to 5:30 pm. While the work will require equipment in the street, no road closures will be required. The contractor will make timely notification to any resident when short disruptions to water service will occur. Upon completion, disturbed areas will be restored.

Please contact the Assistant Director of Public Works/Project Manager, Hong Yin, at 301-809-2337 or [hyin@cityofbowie.org](mailto:hyin@cityofbowie.org) if you have questions or concerns about this project.

2. City Trails Master Plan Public Hearing Draft

The public hearing draft of the City's Trails Master Plan update has been uploaded to the City website. The City Council public hearing is scheduled for Tuesday, September 3<sup>rd</sup>. [Comments will be accepted through August 28<sup>th</sup>](#). If you should have any questions about this effort, please contact the Planning Department.
