Bowie Police to Hold Cop For a Day Event Saturday, June 18th

The Bowie Police Department will hold its Cop For a Day event Saturday, June 18th from 9:00 a.m. to 1:00 p.m. This unique event allows participants from 9 years of age and up to experience life as a police officer. They will conduct a traffic stop, engage in a foot chase, handcuff a suspect and even go on a vehicle pursuit all while having the opportunity to engage with Bowie Police Officers. This one on one experience promotes open communication and helps build relationships with our community. Funds raised at the event will help support the athletes of the Special Olympics.
