COVID Brief

According to the CDC, as of the week of June 4, the State of Maryland ranks 8th in the percentage of its population that is fully vaccinated. Bowie's new cases have remained in the single digits every day this week, with zip code 20715 reporting no new cases for the past six days in a row.

This week, Moderna requested an emergency authorization on Thursday from the Food and Drug Administration for use of its coronavirus in 12- to 17-year-olds. About 7 million children under 18 have received at least one dose of the Covid-19 vaccine so far, and 3.5 million are fully vaccinated.

Phased Demobilization of Mass Vaccination Sites in Maryland

Maryland’s mass vaccination sites have begun a phased demobilization process as local demand changes and additional resources are directed to mobile clinics and community-based activities. In the coming weeks, several sites will stop offering first doses of the Pfizer and Moderna vaccines. Once first doses are no longer available, the sites will offer second doses only. The state has worked with local partners to identify providers for first doses of Pfizer. Most sites will also continue to offer the one-shot Johnson & Johnson Janssen vaccine until the site closes.

Operational responsibilities at several mass vaccination sites will shift from the state to local partners, while other sites will close. For as long as they remain in operation, all sites will continue to offer no-appointment vaccinations. View the full schedule for mass vaccination sites demobilization [here](#).

Vaccination Resources

- **State of Maryland** - To get vaccinated—and be eligible for the state’s [\\$2 million Vax Cash Promotion](#)—visit covidvax.maryland.gov, or call 1-855-MD-GOVAX (1-855-634-6829). The call center is available seven days a week, from 7 a.m. to 10 p.m. The Six Flags mass-vaccination site will close operations on July 17. A limited number of no-appointment, drive-thru vaccinations are still available for residents ages 12+.
- **Prince George’s County** - Appointments are not necessary at all COVID-19 vaccine clinics operated by the County Health Department. Individuals who live or work in the County can walk up to County Health Department vaccination clinics with no appointment needed or book an appointment in advance online at mypgc.us/COVIDVaccine. You can also use the County’s [County Vaccine Locator](#) to find additional vaccination sites operated by pharmacies, hospitals and other healthcare partners.

From Monday, June 7 through Tuesday, June 15, Prince George’s County Public Schools students 12 years of age and older and their families can receive a COVID-19 vaccine at select high schools from 1:30 - 5:30 p.m. [Info](#)

- **City of Bowie** – The Bowie Senior Center Vaccination Clinic is only accepting second dose appointments until June 30th, when the clinic will cease operations. Call City Hall at 301-262-6200 for more information or to schedule your second dose appointment.

PGCPS Updates

Chief Executive Officer Dr. Monica Goldson announced [plans](#) for the 2021-22 academic year in Prince George's County Public Schools (PGCPS), which will welcome most students back to classrooms for full-time, in-person learning this fall. A limited virtual learning program and new Online Campus will also be options for families.

- Families of children in kindergarten through sixth grade who are not yet eligible for a vaccine, PGCPS will offer a limited, application-based virtual learning option for the fall semester.
- The school system will also introduce a new Online Campus this fall for students in seventh through 12th grades. The Online Campus is designed for those who thrived during virtual learning this past school year and want to continue in a virtual learning environment with live and recorded instruction. This will be an application-based program with limited slots.

Metro Updates

The Washington Metropolitan Area Transit Authority Metro has committed to the American Public Transportation Association's Safety & Health Commitments Program to protect riders and employees so that public transportation can continue to deliver safe, valuable services to everyone. The program centers on shared commitments between Metro and their customers.

To help keep riders and employees safe, Metro is requiring face coverings; providing hand sanitizing stations; deep cleaning trains daily; using new air filtration systems to provide fresh outdoor air; restoring certain routes; and offering an app to gauge crowdedness on trains and buses. Metro's health and safety commitment is featured in a new video series, "[Metro is Doing Our Part.](#)"
