

## COVID Testing Options (as of 1/18/22)

Testing continues to be an important component in the strategy to reduce the spread of COVID-19. **Today the federal government opened up its [website for requesting at-home tests](#).** Order your tests online now.

**Below is a summary of the current testing options:**

### *At-home testing*

- **Request a test kit through the federal government** - [COVID Home Tests | USPS](#)
- **Pick up a test kit at one of the local distribution points** at certain libraries and community centers. [See this week's list.](#)
- **Through your health insurance company.** As of January 15, 2022, private insurance companies will be required to cover at-home COVID-19 tests. Insurance companies and health plans are required to cover eight free at-home tests per covered individual per month. Contact your provider for details.

### *County and State Testing sites (as of 1/18/22)*

Testing is free. Sites are walk-in, unless otherwise noted. Sites may be affected by weather-related closures. Hours are subject to change. Be sure to check before you go.

***Please note:*** *At present, the City of Bowie does not have COVID test kits for distribution to the public. The City has made a request through Prince George's County to receive some of the kits that Maryland has secured. We are awaiting a response to the request. If Bowie receives an allocation, information about distribution will be shared widely.*
