On 11/27/14 at approximately 2100 hours, Patrol Units noticed a vehicle parked in the back corner of the park with all of the lights off (after the park was closed). When the Units pulled into the park, the vehicle immediately attempted to pull off. The vehicle was then stopped and the driver was identified as a juvenile male without a license. While officers were speaking with the driver, they detected an odor of marijuana coming from the vehicle. A search of the vehicle and area found that the vehicle had plastic packaging material, a grinder and a digital scale. The immediate area had a glass jar with suspected marijuana in it.
