

Snowman Christmas Countdown

Materials Needed:

- scissors
- glue
- print out of the pattern sheet(s)
- snow flake sticker
- colored paper/foam (black, orange, green, red)
- blank white paper plate (8 inch)
- 1 brad
- magic marker/crayon
- paper punch

Directions:

- Step 1 Print out pattern sheet and cut out.
- Step 2 Trace pattern onto desired colored paper/foam and cut out. Be sure to cut the correct number of each on indicated color paper.
- Step 3 Write number 1 – 25 on the rim of the paper plate.
- Step 4 Punch a hole in the middle of the plate and attach the carrot nose with a brad. Punch a hole in the carrot nose piece prior to inserting the brad. Do not fasten the brad with tape on the reverse side of the paper plate or the nose will not move to count down the number of days until Christmas.
- Step 5 Put glue on the top rim of the paper plate and place the large black square/hat base.
- Step 6 Glue the large black rectangle/hat brim to the bottom portion of the hat base.
- Step 7 Glue the red/green small rectangle/hat band above the hat brim.
- Step 8 Turn the paper plate over and allow to dry for 15 minutes.

- Step 9 Glue the two larger black circles/eyes above the carrot nose.
- Step 10 Glue the five smaller black circles/mouth below the carrot nose.
- Step 11 Glue the two green holly leaves and red circle/berry to the brim of the hat.
- Step 12 Attach the snowflake sticker to the top of the hat.
- Step 13 Enjoy your Countdown Snowman!
