

TEEN JOB + VOLUNTEER OPPORTUNITIES

As a public service and to assist with teen employment and Service-Learning Hours, the Department of Community Services maintains a list of jobs and services offered by teens (13-19) living *within* the City of Bowie corporate limits. Citizens in the community call looking for a teen to help them and are provided with names of teens who are willing to work or volunteer for them. If you are interested in occasional temporary jobs or volunteer opportunities, both teens and parents/guardians must complete this application as well as the attached release and email it to Lori Cunningham at lcunningham@cityofbowie.org. If you have any questions, please call 240-544-5601.

Note to Parents: We do not interview or pre-screen the teens, so we encourage citizens to interview them by phone or in person before deciding to hire the youth. We do not interview or pre-screen the citizens, so we encourage the teen's parents/guardians to speak with the citizen who calls their teen to determine if the work placement would be appropriate for their teen. We appreciate all follow-up comments from both citizens and parents/guardians. The City, however, assumes no responsibility for the quality of services rendered nor does it for an act or omission of the employed teen arising out of or related to the referral or services rendered in connection with referrals. Teens stay on the list until they determine they no longer wish to provide their services to the community. A teen over the age of 18 yet still in high school may remain on the list. The City will contact teens to keep the list current. **Contact Community Services at 240-544-5601, if the teen wishes to be removed.**
