Historical Facts of The Gymnasium

*Celebrating
19 years of proudly serving
the community of Bowie.*

*The City of Bowie
Gymnasium was constructed in
February of 2001. It was
designed primarily for
basketball and volleyball play for the
residents of Bowie. The design of the
gymnasium
allows for either three
basketball courts or four
volleyball courts to be in use
simultaneously. The
gymnasium also has two
meeting rooms that are
available for meetings, party rentals, and
special activities. In addition, a
concession area and sitting area are
available for patron's use.*
